Explanation: Each church is asked to participate annually in renewing their charter and paying a membership fee, to aid in the distribution cost of maintaining the district Women's Ministries office operating cost. It also places each chartered member on the sectional mailing list.

Charter: A charter will be issued at the formation of a new group. New charters were issued to every group in 1999. Unless this is destroyed, lost or lapsed, it will only be necessary to renew annually. A new charter can be sent upon request. Do you need a new charter?

Membership: Membership cards will be given upon request.

Important: Please list all current members' names, addresses, and telephone numbers on back of this form.
