

CONFESSIONS FOR 2011

From the Personal Journal of Susanne Cox Acts 2:17 . . . “And your sons and daughters shall prophecy”

The power of confession: As we speak faith in this New Year, we will see God move.

This New Year holds for me...

Physically

2011 will be a year of health and healing! According to 1 Peter 2:24, “By his stripes I was healed” so I am declaring 2011 will be my best year physically. I will take care of my temple. I will exercise and I choose to eat healthier. I will stay fit for my King and for kingdom business. I am redeemed from every generational curse according to Galatians 3:13. I choose to walk in health and healing all the days of my life.

Emotionally

I have been delivered from the power of darkness so I am making a decree that 2011 is my year of joy. This is my year of peace. Depression is a thing of the past for me. The joy of the Lord is my strength! He fills my mouth with laughter!

(Take time to bless Him right now.)

Family

2011 is the year of salvation for my family. I decree that laborers will be sent to my family. Every time they turn around someone will be there to share the love of God with them. I decree their hearts are fertile soil and my harvest is come. I decree this is the year of restoration for my family.

Spiritually

This is going to be the best year ever. I read God’s Word daily, grow in character and increase in faith. I am going to lead more people to Jesus than ever before. I decree this will be the most consecrated year I have ever given to God. This is my year of total obedience to the Lord. I will walk in the presence of God and the wisdom of God. I pray and speak out mysteries for God, for my church and for the nations.

Financially

I decree this is the best year ever. I have been tithing; I have been sowing, and the harvest will be mine this year. I decree that my God shall supply all of my needs according to His riches in glory by Christ Jesus. I am blessed in everything I put my hands to and the storehouse of heaven is open to me. I will give to missions and the hurting and God will meet my needs. I decree that I will be a light in the market place. I have a good attitude and God will prosper me. I am blessed in the city, blessed in the field, blessed coming in and going out! I am the head and not the tail. 2011 is going to be a great year for me because of my great God. And it shall come to pass!
